Sports Day

Due to the unprecedented amount of rain that we have had in June we are assessing whether or not it will be possible to hold Sports Day on Tuesday. Currently the field is extremely wet underfoot; the ground would be MUCH too wet for children to sit on (definitely soggy bottoms) and too slippery to run on. If there is more rain over the weekend (it is forecast) then we will notify you on Monday by midday and will instead reschedule the event for Tuesday 16th July.

Wildside Residential Meeting

Thursday 20th June 2019—Sapphire Class at 3:35pm

Parents are invited to attend a meeting with Mrs Wilson which will give you an opportunity to find out more about the residential and ask any questions you may have.

Go Wild in June

We have had an amazing start to Wild June with lots of children taking their learning outside. There has been lots of bug hunting and someone even spotted a rare Hummingbird Hawkmoth. Phoebe rescued a pigeon egg and we have saved numerous insects from the torrential rain.... Keep it going, we are well on the way to filling up our month!

Green Team News

Well done to Laura, Oliwia & Zuzanna who have completed 6 tasks to get their 1st Green Team Badges & to Holly & Grace Wilkins who have their 2nd Green Team badge

Boys Pants

Thank you to everyone who has kindly donated to FS/KS1. We have now received lots of girls knickers, which is great, but we are very short on boys pants. If you have any good quality pairs of boys pants that you

Ruby Class — have become toy designers and have been busy sketching ideas for a new Toy Story 5! We have considered the tools and materials we will need to work with and planned our designs.

Emerald Class - have been lost in the world of Alice in Wonderland! We prepared a tea party for the Queen of Hearts and enjoyed cake and royal dancing. We were happy the Queen enjoyed her tea party and that we didn't lose our heads!

Sapphire Class - have been continuing and developing their design technology skills, making their own light boxes. They are critically analysing their work as it develops and paying great attention to detail. They are looking fabulous. They are also continuing their swimming lessons and are making good progress, developing their swimming techniques as well as water confidence activities.

Diamond Class— visited the annual Life Skills event and took part in activities hosted by the Dog's Trust, the Fire Service, Devon & Cornwall Police, the RNLI and BT to name just a few. Diamond had a fantastic afternoon, and asked a range of sensible & appropriate questions that showed an impressive level of maturity and thoughtfulness.
