The Summer Fair is fast-approaching and thank you very much to the few parents who have already said that they would help. A lot more help is needed however, to ensure that this event is a success. This year we are planning to have both a teddy tombola stall and a second hand toy stall. With this in mind, we would be extremely grateful if you are able to donate any **GOOD QUALITY** toys, games and teddies, that are in good enough condition to be resold at the fair. Please note we are **NOT** looking for book donations with year. Many thanks

- ◆ Sapphire's Wildside Residential 27th-28th June

Go Wild in June

Mrs W has signed the school up for the Go Wild in June project for Devon Wildlife Trust. The aim is to do something wild every day in June eg watching a webcam of animals, having a picnic, making a daisy chain or feeding the birds. If you run out of ideas see Mrs W. Please either write down or photograph what you have done so we can add your activity to the chart. Let's see if we can fill up the chart with activities.

Boys Pants

Thank you to everyone who has kindly donated to FS/KS1. We have now received lots of Girls knickers, which is great, but we are very short on Boys pants. If you have any good quality pairs of boys pants that you are able to donate—preferably age 3-5 years, we would be very grateful.

Green Team News
Well done to Jack Kelly for completing 6 different tasks to achieve his first Green Team Badge.

Ruby Class— have been commissioned to create pop art pieces for the stars of Toy Story and have been creating their own Toy Story narratives!

Emerald Class— have been exploring the world of Neverland and Peter Pan. The children have written some fantastic 'Lost Boys' adventure stories and created magical poetry pieces!

Sapphire Class— were given the opportunity to take part in a mindfulness session with Helen Wilson from 'Open Minds'. The children experienced techniques using tummy breathing to help them relax and stay calm. They were encouraged to think about how special & unique they all are and how to value themselves and their feelings. It was a beautiful sessions and the children gained a lot from it. The children are now keen to make mindfulness boxes for each classroom in the school.

Diamond Class— The Diamond Therapists have been contacted by some new clients—Wreck-it-Ralph and Vanellope Von Schweetz are concerned that their 'Sugar Rush' video game promotes an unhealthy lifestyle, and so would like our team to design a fruit and vegetable-themed level for the game. The DCT like a challenge!
