Summer
Fair meeting
this
Wednesday
26th June
at 3.30pm

We would like to thank the parents who have already kindly offered their assistance before and during this year's Summer Fair. Their support and time is invaluable and without their help, and in the absence of a PTFA, the whole event would have to be organised and run by staff. More help is needed to ensure the event is a success and even if you can only offer to help set up or pack away, any assistance would be greatly appreciated. This year we are planning to have both a teddy tombola stall and a second hand toy stall. With this in mind, we would be extremely grateful if you are able to donate any GOOD QUALITY toys, games and teddies, that are in good enough condition to be resold at the fair. Please note we are NOT looking for book donations with year. Many thanks

Future Dates:

- ◆ Sapphire's Wildside Residential 27th-28th June
- ◆ Summer Fair 5th July
- ◆ Sports Day 16th July
- ◆ Y5&6 Summer Performance 17th&18th July (6-7pm)
- ◆ Year 6 Leaver's Service 22nd July
- ◆ Year 6 Leaver's BBQ 22nd July
- ◆ NO Stay and Play 23rd July (last day of term)

Go Wild in June

Classes have been completing different wildlife and nature tasks this week.

- ◇ Diamond—harvesting broad beans & identifying trees.
- ◇ Sapphire—adding more pots, bark & sticks to their bug hotel.
- ◇ Emerald—designing animal homes.
- ◇ Ruby—making wildflower seed bombs and watching the peregrine falcon webcam.

Well done everyone—remember to tell us what you do at home too!

Green Team News

Well done to Kayleigh and Grace H who have completed their 12th task for green team and gaining their second green team badge. Well Done!

Ruby Class — have made a splash and have been sifting through sand searching for Ariel's missing treasure. They have also explored their sketching skills and have even written diary entry's in character!

Emerald Class - have had a very busy week! In class they have been continuing their stage set building for Toy Story and have added rockets to the shop. They also had a great time on their nature reserve trip and they were fantastic when exploring all the ponds!

Sapphire Class - Sapphire Stitchers have been working hard preparing their campaign for Ariel to highlight the effects of plastics in our oceans. We are nearly ready to head to parliament! We have been extremely passionate about protecting our seas, rivers, lakes and oceans and have produced some stunning posters using excellent persuasive language.

Diamond Class— have worked with Mrs Wannacott to become tree spotters, both in the school grounds and on their walk to St Luke's for their swimming lessons on Monday & Wednesday. So far they have been a Horse Chestnut on the Cathedral green, an Elder tree on Haldon Road, a Silver Birch on the playground and a Sycamore beside Tic-Tocs nursery!

St David's Church Summer Fete
Saturday 29th June from 11.30-14.30
At St David's Church (opposite Exeter

Star Learners

Ruby	Reception: Amber — because she has such a wonderfully warm and sunny nature. She brightens our day and is a kind friend to everyone in Ruby Class. This week she wowed us with her beautiful writing showing great determination. Fantastic work Amber!
Emerald	Year 1: Iowa — for showing kindness to her friends in class throughout the school week. Thank you Iowa! Year 2: Ralph — because he has used some amazing investigative skills during our trip. Ralph was able to ask lots of brilliant questions to help him find out the information he needed to identify different creatures living in the ponds. Well done Ralph!
Sapphire	Year 3: Kaiya — is a delightful member of Sapphire class. She is responsible and tries her very best at all times. She is a kind hearted girl, often helping and looking after children younger than herself. It is great to see Kaiya building confidence in the water during her swimming lessons. Well done Kaiya. Year 4: Abdul — is super star in Sapphire class. He has shown real star learner qualities, helping a new boy settle into Ruby class this week. Abdul is a very kind and caring boy. Thank you Abdul.
Diamond	Year 5: Clara — achieved an excellent score in her Year 5 arithmetic paper this week, and she also sang beautifully in front of the whole class during rehearsals. Well done and thank you Clara! Year 6: Lacey — has produced an excellent piece of writing that shows both a change in formality and her ability to use different characters/voices within her work. Well done and thank you Lacey!
