## Mathematics

Matching numbers to the correct numerals.

Counting

1 more and 1 less

2D shape names

Place value

## Client and Commissions

Mr Grinling has spotted some strange sightings during his work as a Light housekeeper.

There has been a terrible storm which has caused many problems for the people in the town and the natural habitats. Mr Grinling have asked a team of experts to investigate into the disaster and to find out how they can help both the environment and the people that live in the town.

## Enquiry Questions/ Lines of Investigation

**What are our responsibilities when thinking about how we can look after our world? How can we help protect the natural habitats? How can we encourage the tourists to come and visit the town and beach but also protect the environment? How has the town changed over time?**
