Annual Feedback

During the past year we have navigated our way through (& hopefully out of) the COVID pandemic. We are now operating at a 'near normal' level and it has been lovely to see children being able to participate in a full curriculum involving days out and extra curricular activities. Reports are due to be issued in July giving you a full update on your child's academic progress. We are interested in your feedback on your child's experiences at school this year and would value you taking a few minutes to complete a short survey. [PLEASE CLICK HERE](#)
