

Creative Development

Art/DT We will be using different materials to create a 3D model of Oakville.

Music We will be exploring pitch and rhythm when using musical instruments. The children will be learning a variety of different songs together.

Mathematical Development

We will be covering many areas this autumn term including: number and place value, addition and subtraction, money, multiplication and division, measurement, fractions, geometry and time. We will be using a variety of resources to solve problems and reflecting on and explaining how we reach our answers using reasoning.

Physical Development

Indoor- Gymnastics

Outdoor- Games, throwing, catching and striking games.

Personal and Social and Emotional Development / RE

R.E- We will be looking at rules in our everyday lives and why rules are important. The children will explore rules in Christianity and Judaism.

PSHE- We will be exploring what we need to keep us healthy and safe. We will be sharing our own ideas about how we can look after our own environment and the world around us.

The Oak Tree

Our School

Values

Respect

Compassion

Justice

Friendship

Forgiveness

Trust

Knowledge and Understanding of the world.

Geography- We will be looking at map skills and creating our own aerial maps based on our local area. We will be comparing our local area to areas around the world. We will be using geographical vocabulary when making comparisons.

History- We will explore what life was like during the times of Henry III.

Science- We will be observing and recording seasonal changes and discussing the life cycle of the oak tree and how it would need to be cared for. We will be learning about animals and their habitats.

English S&L, Letters and Sounds, Reading, Writing, MFL)

English- We will be exploring a variety of genres this term building our repertoire of writing skills such as: narrative, reports, poetry, formal letter writing and persuasive writing. In our imaginative inquiry, we will become the expert team 'Village Conservation Group' commissioned by the Village Council to survey the oak tree, consider its status or importance within the village and consider any threats that may come its way...

Letters and Sounds, handwriting & spelling- We will be learning and practising how to join our letter.

MFL - In French we will be studying greetings, my name, my age, colours and numbers to 10

Computing

We will be using the EDiscovery programme to create our own algorithms.

We will be looking at ESafety and what it means to stay safe when using the internet.
