### Headteacher's message

Another half term has flown by! With the improving weather, it has been good to see the children being able to take their learning outside, both in the playground and up on the field. The plants in Ruby Class area are certainly doing well with the sunshine and tender loving care from the children.

I am pleased to say that we are now subscribing to #Wake up Wednesdays, a website that provides one free online safety guide each week to schools, parents and carers. This weeks' guide is [What Parents and Carers need to know about Influencers](#). I do hope that you will find these guides useful and would value any feedback you would like to offer. Please note that our Knowsley City Learning Centre online safety newsletter for May is on our website/parents/online safety.

I do hope that you all have an enjoyable half term and look forward to seeing you on **Tuesday, 6<sup>th</sup> June!** Alison Bourne

### We are Still Looking for mor HELPERS!

On the evening of Friday 30th June the St David's summer fair will take place on the school field, and we would welcome any help or contributions that parents/carers feel that they could make. Perhaps you would like to run a school stall, help to set-up or tidy away afterwards, or perhaps you would like to make something that can be sold at the fair? Please let Mr Sloman know if you would like to contribute to our event, and let's keep our fingers crossed for good weather!

It's a want....

Ruby class would be extremely grateful for donations of child's pants/knickers and socks as supplies are running low.  
Thank you in advance!
