

# Summer Term Friday 10th June 2022

**Term Dates**  
Summer Holiday—25th July returning  
Tuesday 6th September

This week has been short, but busy! The highlight for Diamond class was Thursday afternoon, when they participated in a RAMM workshop. They were asked to consider how the face of the High Street could change now that online shopping has removed the requirement for people to *have* to visit shops for things they want to purchase. The children had some amazing ideas— if you would like to see their creations then you can access a [short film](#) via our website. We were particularly impressed with Sam and Noah's idea for a Multi-Faith place of worship—what a forward thinking, innovative idea. The organisers also remarked that of all the schools who had visited, St David's were the only pupils who stayed to tidy up after the session. Well done Diamonds—you were a credit to our school!

## STAR LEARNERS

<b>Ruby Class</b>	<p><b>EYFS—Kit</b> has emerged himself into our dinosaur topic this term! He can name and describe many dinosaurs. I am beginning to see Kit apply this knowledge to his writing too. Thank you for being our Dino expert, Kit!</p> <p><b>Maisie</b> for her independent application of phase 5 sounds when writing. Maisie has come on leaps and bounds in her writing and we are very proud of her.</p> <p>Reading certificates: 250 Reads: Kit      275 Reads: Freddie O</p>
<b>Emerald Class</b>	<p><b>Year 1—Otis</b> has a fantastic attitude towards his learning, is always very curious and asks lots of great questions. In History this week, Otis carefully used his research to design a Tudor home. He was able to confidently talk about the different features. Well done Otis!</p> <p><b>Year 2—Mackenzie</b> has impressed the grownups with his listening skills this week and with following instructions. He has done some wonderful phonics and sentence writing. Well done Mackenzie, we are all very proud of you!</p> <p>Reading certificates: 100 Reads: Otis      150 Reads: Oscar</p>
<b>Sapphire Class</b>	<p><b>Year 3—Ted</b>—is a very able and enthusiastic mathematician. It has been a joy to see Ted use written methods for calculating more complex problems. His favourite method is the 'grid method' and he is able to accurately multiply some very tricky numbers using this strategy. Well done Ted!</p> <p><b>Year 4—Esmay</b> is a friendly and caring member of the class. She is participating more and more during class discussions. To help us with our AD 1066 elections, we have been thinking about what makes a good leader. Her ideas were thoughtful and she was able to justify her ideas with examples. Well done Ezzy!</p> <p>Reading certificates: - 50 Reads: Caleb   75 Reads: Siaan   125 Reads: Nico &amp; Charlie   150 Reads: Jacey, Hollie, Eva, Kaddy, Charlie</p> <p>450 Reads: Iowa   500 Reads: Ted &amp; Imogen</p>
<b>Diamond Class</b>	<p><b>Year 5—Sam</b> constructed a charming multi-faith church in our RAMM Lego workshop that showcased his mature outlook on life. Well done and thank you Sam!</p> <p><b>Year 6—Ollie</b> has written a fantastic descriptive piece of writing about the incredible Greek countryside and should be very proud of his vocabulary choices! Well done and thank you Ollie!</p> <p>Reading certificates: 125 Reads: Chloe      150 Reads: Talin, Ollie, Kaiya</p>

**School Meal Bookings**  
Please ensure all school meals are booked via [ParentPay](#)

[June Stay and Play 3.20-5.15pm](#)  
Places for June S&P, must be booked using this link
