**3.30PM ON WEDNESDAYS!**

This week has been a busy one for everyone but especially so for Year 6. We are immensely proud of the way in which they have all applied themselves, to ensure that they did their best in the assessment tests. We look forward to the results in July, safe in the knowledge that no one could have worked harder or done more to prepare! Whilst we recognise the efforts everyone put in, we are also hugely proud of the attitudes and dispositions that they have all shown to their learning, whilst also maintaining a sense calm and maturity. Well done everyone and Thank you!

## Green Team News

This week Green Team have been planting lettuce, radish, tomatoes, chard and wildflowers at the Community Centre and in the school garden. A group of children have also worked on planting flowers in Richmond Road ready for Britain in Bloom. Special thanks to Riley's Grandad Pat for coming along and helping us.

## Boys Pants

Thank you to everyone who has kindly donated to FS/KS1. We have now received lots of Girls knickers, which is great, but we are very short on Boys pants. If you have any good quality pairs of boys pants that you are able to donate—preferably age 3-5 years, we would be very grateful. Many thanks

## Parking at school drop off and pick up.

Could you please be mindful of the residents and neighbours when parking to pick up and drop off your children. It has been reported on numerous occasions of parents driving erratically and parking illegally and dangerously. We have also recently had a request from a resident that whilst waiting in your car, could you please turn off your engines in order to be kinder to the environment. Many thanks

## St David's Church Christian Aid Big Breakfast

Sat 18th May - 9am-11am

St David's Church will be serving up a great choice of breakfast & raising money to help fight poverty and injustice.

**Ruby Class** — have been exploring the Q. What does it mean to be brave? We enjoyed sharing our own experiences and created a 'Recipe for Bravery'.

**Emerald Class**— Disney Dudes were contacted by the motion characters from the film 'Inside Out'. They helped the characters by figuring out how to work as a team. They also thought about their own emotions and how they can keep their minds healthy!

**Sapphire Class** - Have been busy creating night time stories for Peter Pan's 'Lost Boys'. Wendy contacted Sapphire asking for them to write creative stories with engaging narrative that she can read to the boys at bedtime because they are having trouble settling down to sleep. They have also been researching and designing their own light boxes ready to start building next week.

**Diamond Class**— activities this week have been dominated by the six SATs papers. All the staff have been incredibly impressed by the dedication and maturity the children have shown throughout the whole revision period and test week. We know that the children couldn't have given more..... We are extremely proud of them all.

## Star Learners

<b>Ruby</b>	<b>Reception: Callum</b> — has participated well during Maths lessons this week, and has completed some brilliant work listing all of the number bonds to 10. He also challenged himself to try to find some of the number bonds to 20 with the year one children. Great determination, well done Callum!
<b>Emerald</b>	<b>Year 1: Hollie</b> — has shown superb effort in English and has produced a lovely diary entry. She has worked independently to include conjunctions in her writing as well as explaining how the character was feeling & why. Well done Hollie! <b>Year 2: Kayden</b> — has been trying extremely hard to focus on his work and manage distractions. He has worked incredibly hard on his practice reading and maths tests, producing some great
<b>Sapphire</b>	<b>Year 3: Jacob</b> — is such a keen mathematician, eager to take on challenges and delve deeper in his learning. He has particularly enjoyed interpreting data in pictograms, bar charts and tables this week. <b>Year 4: Olivia</b> — is delightful member of Sapphire class. Olivia has worked very hard this week researching and designing a light box ready to build next week in design technology. Well done
<b>Diamond</b>	<b>Year 5: Ruby G</b> — has tried very hard in maths this week, becoming much more confident at sharing her thoughts and solutions with the class. Well done and thank you Ruby. <b>Year 6: Harley</b> — has worked exceptionally hard throughout the whole year and has seen his practice SATs scores increase dramatically in all areas. Well done and thank you Harley!

### Lunch Time Star

**Ruby T-M**—has been extremely helpful in the dining hall this week. She has helped clear tables without being asked, and has set a great example to others. Thank you
