Trust

Knowledge and Understanding of the world.

Geography- We will be exploring parts of the UK and looking at the physical and human features. We will be comparing different localities around the world to our own local area.

History- We will be looking at significant individuals during the Victorian times including Queen Victoria. We will be exploring what life was like in Victorian Britain.

Science- We will be finding out about how to care for plants and why they are important within our natural environment. We will be investigating plants and tree in our local area when going on science observation walks.

English S&L, Letters and Sounds, Reading, Writing, MFL)

English- We will be exploring a variety of genres this term building our repertoire of writing skills such as; story narrative, diary entries, on-fiction, persuasive letter writing and recounts. In our imaginative inquiry, we will become a plant hunters team of experts that have been commissioned to discover rare and unusual plants around the world. We will be travelling back in time to the Victorian era and we will be working with the famous Veitch family.

Letters and Sounds, handwriting & spelling- We will be learning and practising how to join our letters.
MFL - In French we will be studying colours and numbers.

Computing

We will be looking at E-Safety and what it means to stay safe when using the internet.

We will be using Bee-Bots and programmes to explore algorithms.

We will be using the internet to send emails.
