Ruby Class

Ruby Plant Hunters embarked on their journey through the enchanted forest and up the Faraway Tree to reach 'Tree Land'. Along the way they helped Silky the fairy make 'pop cakes' for her fairy friends and painted pictures of the rare 'Sleepy Plant' for their friend Moon-face. They eventually reached the top and have entered 'Tree land' in search of Magic Beans!

Emerald Class

have been following plant hunter and explorer William Lobb, as he embarks on an adventure to China. They have also been busy creating dance pieces in PE, based on work by Richard Alston. They hope to have a finished dance next week!

Sapphire Class

have been writing scripts in character as Victorian children. They have immersed themselves in the roles of Peter and John and have used historical references and language well within their scripts. Sapphire have also been developing their woodworking skills of measuring, cutting and assembling wooden dowels to construct their dolls house room based on Buckingham Palace..

Diamond Class

Have written persuasive letters to James Veitch asking to be hired as one of 22 plant hunters. The children are each using real Victorian plant hunters names and have given them their own personalities, skills, backgrounds and character traits. Diamond class have also looked at how to be safer online ahead of Internet Safety Day next Tuesday!?
