## ParentPay

Parents have often enquired about online payment facilities and for sometime we have been researching potential providers.

Working towards making St David's a cashless school will allow for a more effective use of administrative time.

We are therefore pleased to announce that we will soon be introducing ParentPay at St David's.

Parentpay will allow parents to pay quickly and securely for school meals, stay & play, trips and activities.

**ParentPay will go live on Thursday 10th November.**

**You will need to have activated your account before this date to enable meal ordering.**

ParentPay®

This system will also be used to order School lunches in a similar manner to ParentMail which will be phased out.

Your Children will be bringing home activation letters this evening. These have detailed instructions of how to set up a ParentPay account.

We invite you to visit the ParentPay website, for further information and guidance if required.

## Come and Join us on the Quay!

**On Tenterhooks** is a performance and music event celebrating the craft, creativity and commerce surrounding the River Exe and Britain's oldest surviving canal.

The children of Sapphire class have been involved in 2 workshops as part of this project and the culmination of all the hard work is a final performance this evening. The children have made lanterns and you are invited to join the procession and walk with your children from the Haven Banks Centre to the Customs House. This should be a fun and exciting evening - we are told to expect the unexpected!!!

Miss Bishop and I look forward to seeing as many Sapphire Class children as possible with their lovely lanterns.

**We request that parents walk with their children in the procession - school staff will be present but for safety reasons we would like you to oversee your own children.**

6.30pm Meet at Haven Banks and collect Lanterns

6.45pm Move to procession start point beside the restaurants (Bar Venezia)

7.00pm Procession across the River towards the Customs House
