class news

Ruby Class

Have been learning their 'sea creature' song and discovering the effects that pollution and rubbish has on the sea and how this affects the sea creatures. How can the Ruby team help?

Emerald Class

This week has been an exciting week for Emerald Class! The children thoroughly enjoyed their cinema trip dressed in their hero costumes! The Emerald Animal Protectors are continuing their research into Hudson Bay and have begun working with influential conservationists to help protect the polar bears.

Sapphire Class

Have had a fabulous week. On Monday they had great fun trampolining, learning new skills and building confidence on the trampoline. On Tuesday they went to the cinema as part of the film festival week. Sapphire have also been continuing to write their persuasive and passionate speeches about climate change and global warming. They will be filming these over the weeks to come!

Diamond Class

On Monday Diamond Class visited the Vue cinema to see 'Horrible Histories: The Movie'. The film was great fun, mixing historical facts with an entertaining storyline. The film was shown as part of the Intro Film festival, which gives out thousands of free cinema tickets to children across the UK every year in order to promote junior film making and script writing.

Children in Need

Wow - what a great turn out of Heroes and Heroines we had today at St David's in honour of Children in Need. The children looked Super and we raised £89 for this worthy cause.

PTFA Help for our Christmas Fair

This year Mrs Wilson and Mr Sloman will be organising the fair—we hope to see as many of you at the first meeting as possible.
