Ruby Class — have been investigating materials to help replace missing scales from a mermaids tail. They have also been learning about directions using the Beebots and have even carefully directed their friends when blindfolded!

Emerald Class - the Disney Dudes have been busy working in New Orleans! They have been helping Princess Tiana open up her new restaurant, the children have been designing luxurious restaurants and sharing family recipes. Of course we have tried some of these recipes out too!

Sapphire Class - have had an amazing time on their Wildside Residential. They explored the forest and met the many animals. They had great fun with many activities and the food was fab. Thank you so much to everyone for being so amazing and to the staff for looking after them so well.

Diamond Class— some children took part in the Ventrus Sports Day. Zuzia, Dylan and Ruby TM all came first in their events and we improved our overall placing from last year—finishing 10th out of all the Ventrus schools. Diamonds have now completed all their swimming sessions at St Luke's pool and amazing progress has been seen! They have also had an 'Open Minds' session with Helen Wilson and really enjoyed learning some relaxation techniques.

Hedgehog News
We have a hedgehog living in the school field! This week we have set up a wildlife footprint trap to capture footprints of our hedgehog and other creatures in the field—we will let you know what we have discovered next week!

Green Team News
Well done to Jake Williams who has completed six different tasks to receive his first Green Tem Badge—Thank you Jake!

Star Learners

Ruby	<p>Reception: Lola-Mai — because she has been a fantastic friend to all of us. Her friendly, caring nature makes her an important member of our team. We are so proud of all your hard work and the achievements you have made this year. We will miss you a lot! Good luck at Pinhoe school. They will love you!</p>
Emerald	<p>Year 1: Marcus — has done fantastic writing this week. Marcus has written a letter to Princess Tiana using lots of lovely language. He has also been thinking very carefully about his punctuation and capital letters. Well done Marcus!</p> <p>Year 2: Katie — has created a brilliant restaurant design this week. She added lots of fantastic detail to her design and added clear labels. She has also shared some very yummy food recipes from home—Thank you Katie!</p>
Sapphire	<p>Year 3: Ollie — has worked very hard with his home learning project. It is well presented showing a variety of home learning experiences including gardening, making a shadow puppet and producing an excellent science quiz. Well done Ollie.</p> <p>Year 4: Tiana — is a super star in Sapphire class. She has produced an amazing light box which includes a simple electrical circuit with a lamp. She worked very hard on her light box, ensuring it was accurately measured, cut and assembled. Well done!</p>
Diamond	<p>Year 5: Sara — has worked extremely hard during both maths arithmetic and reasoning papers this week, achieving excellent results. Well done and thank you Sara!</p> <p>Year 6: Harley — has demonstrated tremendous determination and resilience during our swimming lessons this week, showing great improvement. Well done and keep practising Harley!</p>
