## Big Art Project

Make sure you take a good look at our fantastic sculptures in the hall created during our whole school 'BIG ART' project. The children had a wonderful time creating these pieces with the professional artist, Fliss.

This fantastic opportunity could not have happened without the funding provided by the PTFA. It is due to our fundraising events held throughout the school year - such as the Christmas and summer fairs - that makes these memorable opportunities possible for our children.

He has been keen to improve his writing, using lots of describing words to make his sentences exciting and interesting.</p> <p><b>Reception: Romany Grandfield</b> - Romany has been a super star this week. She is always helpful to her friends and teachers. She has been kind to her friends, always sharing and taking turns nicely. Romany has also worked hard on her reading and got much better at identifying sounds in words. Well done Romany.</p>
