### **Emerald Class**

have been immersed in the story of 'The Faraway Tree'. They have been doing lots of story writing, creating their own imaginary lands and characters.

In Science they have been exploring their senses; testing their listening skills.

In Maths they have been measuring in centimetres and meters!

### **Sapphire Class**

### **Diamond Class**

On Friday afternoon Diamond class visited the Barnfield Theatre to watch a production of 'Legally Blonde' performed by Years 7 to 11 from The Maynard School—What a treat!

A big thank you to our parent helpers who accompanied the children on the trip.

### Corona Virus Information for Schools

An email has been sent to all parent/carers today with the most up-to-date advice from the Government and the NHS. Please read carefully.

To reiterate we must insist that any child presenting with a high temp or a NEW persistent cough should remain at home for a period of 7 days.

As previously advised, there is now a website which brings together all relevant public links on information about the Coronavirus, it should make finding the right national information easier.

There is also a link on the Devon site to the DFE advice for schools which can also be accessed via this hyperlink.

We are delighted to announce that St David's Parish has appointed a new curate who is due to start in July 2020 - we think you may recognise him as a parent from our school. We are very excited at the prophecy of further developing our relationship with the church community and feel that by Ash already being a member of our school he already has a great insight in to our philosophy and ethos. Please see below Ash's introduction :

"My name's Ash, and my son Alfred is at St David's, so I'm a fellow school parent! I am excited to be joining the church's clergy team as assistant curate, and am really excited about learning from and working with the whole team. I run a monthly breakfast social at Wetherspoon's Imperial, between College and University - no agenda, just to support each other in the journey of life. I'd love to see YOU there! It's the second Saturday of every month, so the next one is 14th March. Do drop in any time, 9.30-11am. This is me.....so you know who to look out for!"

### Ruby Class Writing Packs

Ruby Class is focusing on developing independent writing at home and to help assist this we would like to create a writing pack for each Ruby child to take home. In order to do this we are asking for any donations of stationery eg pens, pencils, rubbers, notebooks. All donations, large or small, would be greatly appreciated.

For further information please talk to Mrs Gibson. Many thanks.
