

HOME LEARNING SPRING TERM 2023 RUBY CLASS

Respect, Trust, Friendship, Compassion, Justice and Forgiveness

We believe that Home Learning is really important. Home Learning doesn't just have to consist of Maths and English work from school. Home Learning is about spending time together as a family, enjoying different experiences and creating memories. Learning can take place EVERYWHERE. Please try to complete as many of these home learning tasks as you can and bring them into school to share with your teacher and class!

Maths:

Children should be practising their counting to 20 at least 5 times a week, including finding one more or one less than a given number, as well as counting on from any given number (within 20). The best way to do this is through quick-fire questions: the journey to school is a perfect opportunity for this!

Reading:

Sharing book: Please read your child's 'sharing book' to them daily and record in their reading diary. Please return to school daily so that your child can change this book;

Little Wandle Reading Book: your child will bring home the book they have been reading in school each Friday for a 'show off' read to you at home. Please listen to your child read and return this book to school on the following Monday

Tricky words:

Practise reading the weekly tricky words (please see below) with your child. This will really benefit your child's reading progression.

Understanding The World <i>History Focus</i>	Look at your baby pictures at home with your family. How have you changed? What do you notice. Can your grownups share their pictures with you? What do you notice?	
Expressive Arts	Can you make your own sculpture using playdough? See the play dough recipe below, if you would like to make your own playdough at home.	
Maths	<ol style="list-style-type: none"> 1) Can you go on a number hunt around your home and where you live? What numbers can you spot? 2) Practise counting objects to 10, if you are confident try to 20!

Playdough Recipe:

No-Cook Playdough

Ingredients

- 2 cups plain flour
- 1 cup salt
- 1 tbsp oil
- 1 cup cold water
- 2 drops liquid food colouring – any colour of your choosing

What is kneading?

Method

1. Mix the flour and salt together in a large mixing bowl.
2. Add the cold water, oil and drops of food colouring and mix together.
3. When your ingredients are well mixed, take them out of your bowl and place your dough onto a flat surface, such as greaseproof paper.
4. Knead vigorously for a few minutes, until your dough feels like playdough and all of the stickiness has gone.
