Annual Feedback

During the past year we have navigated our way through (& hopefully out of) the COVID pandemic. We are now operating at a 'near normal' level and it has been lovely to see children being able to participate in a full curriculum involving days out and extra curricular activities. Reports are due to be issued in July giving you a full update on your child's academic progress. We are interested in your feedback on your child's experiences at school this year and would value you taking a few minutes to complete a short survey. **[PLEASE CLICK HERE](#)**

COMMEMORATIVE BOOK

Today all children should have brought home a special commemorative book to mark the Platinum Jubilee for Queen Elizabeth II. This book was provided by the Department for Education for all primary school pupils. It contains lots of fascinating information about the monarch with beautiful illustrations.
