STAR LEARNERS

Ruby Class	Reception—Oscar for his out-of-this-world writing. Miss Bassett and the Ruby Team are so impressed with Oscar's attitude to learning and his 'I can' thinking. Oscar wrote an amazing independent sentence about a whale this week. Oscar also made a playpus at home during the half term—it is a wonderful creation, that has taken lots of time and consideration. Keep it up Oscar, we are so proud of you!
Emerald Class	Year 1— Rosie! We are so proud of her amazing English learning this week! Rosie has been so creative in her own ideas for writing and she has been very confident when sharing these with her peers! Year 2— Amber. We have been so impressed with Amber's phonics for reading and writing this week! She has been very keen to write independently! Well done Amber!
Sapphire Class	Year 3— Nina is a responsible and reflective member of the class. She enjoys challenging herself and can identify what she has done well and what she needs to work on next. She enjoys maths and she is keen to share her mathematical methods with the class. Thank you Nina! Year 4— Evie is a delightful member of the class. She is responsible and has a great attitude to learning. She was able to retell a tradition aboriginal story called, 'The Rainbow Serpent,' with detail and imagination. She has also worked extremely hard learning all her times tables. Evie should be very proud of her achievements. Well done!
Diamond Class	Year 5—Phoebe Jo has worked hard across all the subjects this week and she has listened to advice about improving the presentation of her work. She has also made a great start in our show rehearsals. Well done and thank you Phoebe! Year 6—Krzysztof - Kris has worked extremely hard in maths this year and he has achieved some really superb maths scores in his practice tests this week. Well done and thank you Kris!
