**Ruby Class** — have been getting sporty in Ruby class and enjoyed taking part in the KS1 Sports Event at St Luke's. They have also been busy preparing to sow their seed bombs on the school field.

**Emerald Class** - have been extremely busy. They started the week with a visit from the bread company Warburton's. The children learnt all about healthy eating & made their own sandwiches. Emerald also took part in the St Luke's Multi-Sports event. It was a great success and the children enjoyed using their different sports skills and participating with other school. The children also thoroughly enjoyed their transition morning and are now feeling very excited about moving into their new year groups in September.

**Sapphire Class**—have been writing a response to a job advert from master Shifu—Kung Fu Panda—as to their experiences with a super power and why they should be selected for the dragon warrior training academy.

**Diamond Class**— have created a new edition of the annual Diamond magazine, our traditional transition day task. Each member of the 2019-20 Diamond class was given a page to discuss and present on a subject that interests them, and three editors (Clara, Grace W & Jake this year) were involved in pulling the whole publication together by the strict 12 noon deadline!
