

HOME LEARNING SPRING TERM 2023 EMERALD CLASS

Respect, Trust, Friendship, Compassion, Justice and Forgiveness

We believe that Home Learning is really important. Home Learning doesn't just have to consist of Maths and English work from school. Home Learning is about spending time together as a family, enjoying different experiences and creating memories. Learning can take place EVERYWHERE. Please try to complete as many of these home learning tasks as you can and bring them into school to share with your teacher and class!

Maths:

Year 1 - Encourage children to solve addition facts (up to 20) in their head by counting on. Model to the children to put the biggest number in their head and count on the smallest number. To support the children within their formation, simple number formation practice would be beneficial, little and often.

Year 2 - Children should be able to tell you how many 'tens and ones' in each number up to 100. For example, 78= 7 tens and 8 ones. Can the children create their own number squares to 100? Can they create one ascending? Descending?

Reading:

Sharing book: Please read your child's 'sharing book' to them daily and record in their reading diary. Please return to school daily so that your child can change this book. This book encourages language progression.

Little Wandle Reading Book: Your child will bring home the book they have been reading in school each Friday for a 'show off' read to you at home. Please return this book to school on the following Monday.

Year 2- Coloured Book Band Book: your child will bring this reading book home daily. Please hear them read it and record in their reading diary. When the book is finished the children will be allowed to change the book.

Spelling:

Please practice the following spellings at home.

Year 1- was, you, they, my, by, all, are, sure, pure, what, when, should, could, would, when, your, our, their, like, school.

Year 2 - door, floor, poor, because, find, kind, mind, behind, child, children*, wild, climb, most, only, both, old, cold, gold, hold, told, every, everybody, even, great, break, steak, pretty, beautiful, after, fast, last, past, father, class, grass, pass, plant, path, bath, hour, move, prove, improve, sure, sugar, eye, could, should, would, who, whole, any, many, clothes, busy, people, water, again, half, money, Mr, Mrs, parents and Christmas.

History

The Great Fire of London

What 5 facts can you find out about the great event we are learning about this term?

Geography

UK and the 4 Countries

Pick a country. What facts can you find out about this country? Could you write them down and present them to the class? Can you find this country on a map?
