SUMMER TERM—NEWSLETTER 5

21st May 2021

Dear Families, We have one week remaining until half term and then we will be on the final stretch towards the summer holidays. In light of the recent relaxing of Covid restrictions last week we will be reviewing our Risk Assessments and hope to be able to deliver end of term activities/events in Key Stages so that children still have all the same landmark activities but just delivered slightly differently. Y5/6 parents will soon receive information about a number of fun activities/days out that will take place during the final few weeks of term (instead of the usual residential) —we hope to be able to create some memories that the Y6 children will cherish as they move on to the next phase of their education. Best Wishes, Fran Brinicombe

REMINDER

We have **AGAIN** received a complaint regarding inconsiderate car parking/driving in Dinham Rd. This most recent incident related to a female driver dropping off her son, who was then verbally abusive towards other drivers (in the hearing of small children). Can we please remind you to drive and park with care and consideration. This type of behaviour is unacceptable. Thank you!
