SUMMER TERM—NEWSLETTER 2

30th April 2021

Dear Parent,

Thank you for your patience with regards to the school re-establishing KS2 Stay and Play sessions. We are in the process of completing DBS staff clearance for some casual staff, whilst a more permanent recruitment concludes. We hope to be able to reinstate some KS2 sessions within the next few weeks. We will send more information in next weeks newsletter. In the meantime KS1 sessions continue and should be booked weekly via the link below:

Could we kindly request that these sessions are only booked by parents working on those specific days, they are currently limited in availability due to Covid restrictions.

After a promising few sunny days, it now looks like we have reverted to the usual 'bank holiday' weather which is a great shame. However, whatever you choose to do, I hope you have time to spend with your families and friends enjoying some fresh air and fun.

Many Thanks & Have a lovely long Weekend.

Best Wishes, Fran Brinicombe

STAR LEARNERS

Ruby Class

Reception—Otis or all his efforts in pattern making this week. Otis can spot and make his own repeating patterns and use his reasoning skills to explain to his peers why his pattern is repeating. Otis has a perfect attitude to learning and is always ready to learn. Thank you Otis .

Emerald Class

Year 1—Eden for her fantastic writing. It has been lovely to see Eden so enthusiastic about her writing this week and keen to write independently! Well done Eden!

Year 2—Amelia for her wonder maths work this week! She has been completing problems involving tens and ones independently. Well done Amelia!

Sapphire Class

Year 3—Iowa is a happy and delightful member of the class. She worked very hard rounding numbers to the nearest multiple of 10 and she has used an atlas confidently to find countries and capital cities. Well done Iowa.

Year 4—Kayden has enjoyed his learning this week, participating fully with all activities set. He is a more independent and responsible worker. He too used an atlas very confidently this week to find countries and capital

Diamond Class

Year 5—Phoebe has worked exceptionally hard in maths this week and her understanding of time has really improved. She also produced a fantastic script in our online coding session. Well done and thank you Phoebe.

Year 6—Isaac has improved his time management this week and has adapted well to writing in one draft. He worked extremely hard in our online coding session, producing a very impressive script. Well done and thank you Isaac!

PARENTS EVENING APPOINTMENTS

Thank you to those parents who dialled in for parents evening meetings via TEAMS this week. We hope you found the meetings useful and informative. We will be making contact after the Bank Holiday with those parents who did not manage to make contact for their session so that an alternative time can be arranged.
