What have we been doing this week?....

We hope everyone has a lovely and safe half term. Please remember children do not return to school until Tuesday 4th June!

Diamond Class Activities Week

This week has been an incredibly rewarding week for Diamond Class and great fun too! On Monday they headed to Haldon forest, where they walked the 3km+ Raptor trail, ate ice creams and had their photograph taken with the Gruffalo! On Tuesday, Diamond class got the coach to Exmouth beach for a day of kayaking, beach volleyball, windsurfing and paddle boarding. The weather was fantastic and the smiles from the children said it all. On Wednesday morning Diamond class walked to St James' Park stadium for a guided tour, and in the afternoon Karen Williams (Jake's mum) came in to Diamond class to deliver a 'Money Matters' workshop based around managing a budget and understanding what a profit is. On Thursday Diamond class walked to Haven Banks for a day's climbing, caving and archery, and today they have travelled to Crealy park to have fun on the rides and to take part in a creepy crawlies workshop! Check out the photo's on our twitter feed

Ruby Class — have been learning a song and performing a rhythm using drums. We've also been exploring Scotland and have created our own birds eye view maps.

Emerald Class — Year 2's have been working very hard at their SATs this week. They have all worked so well and we are very proud of them. This week Disney Dudes were contacted by the Toy Story crew and the children have created story boards for Toy Story 5!

Sapphire Class — Ariel from the little Mermaid has contacted us about her concern over the state of the oceans. She's worried about all the plastic. The Sapphire Stitches considered how best to help her; plan a campaign, create posters, design underwater machines to take away the plastic, writing to David Attenborough or World Leaders for support. Through our ethical discussions—we know we can make a difference and help save ocean life.

Diamond Class — A huge thank you to Carl Ware, Gilly Butterworth, Zoe Tompkins and Kelly Hunt for generously giving up their time this week to help with Diamond Class's Activity Week. Please see attached for more details.

30 Days Wild

This June St David's are taking part in 30 Days Wild. The aim is to do something for wildlife everyday in June. It could be as simple as making a daisy chain, watching a webcam (eg our Peregrine Falcons), finding bugs, identifying a flower or making something using sticks, leaves, fir cones etc. Let us know what you have done so we can record it on our chart. Many thanks—Mrs Wonnacott.

We would like to say a huge thank you to Darren Jackson (Phoebe's dad) who has given up several days of his time to sand and paint the shed in the back playground

We are sure you will agree it looks beautiful. Thank you Darren!

Green Team News
Well done to Evie who has completed 6 tasks for her 2nd Green Team Badge

Boys Pants

Thank you to everyone who has kindly donated to FS/KS1. We have now received lots of Girls knickers, which is great, but we are very short on Boys pants. If you have any good quality pairs of boys pants that you are able to donate—preferably age 3-5 years, we would be very grateful.

Star Learners

Ruby	Reception: William — because he is an energetic, cheerful and enthusiastic member of the Ruby team. He always tries his best in everything he does and it has been wonderful to see him challenging himself during his learning time. Thank you William!
Emerald	Year 1: Eva — for always setting a good example and listening carefully to instructions. Eva is always in the right place at the right time. Well done Eva! Year 2: Celeste — for keeping calm and persevering when finding things a little tricky during her SATs test. Well done Celeste!
Sapphire	Year 3: Kaitlin — is a pleasure to have in Sapphire class. Her bubbly personality brightens the class. With in drama, she has shown creativity, enthusiasm and confidence when performing. Well done Kaitlin! Year 4: Holly — is a caring member of Sapphire class. She has worked particularly hard during design technology to measure and cut wood using a hacksaw safely and with accuracy. She has also contributed well in her art sessions, which she enjoys greatly.
Diamond	Year 5: Jake B — Jake quickly became an expert during our archery lesson and scored a fantastic bullseye to illustrate his new skill. Well done Jake. Year 6: Dylan — has had a great attitude this week and has taken part in each activity with huge enthusiasm. Well done Dylan!

Lunch Time Star
