BIG ART SCULPTURE

All children at St David's are taking part in a Big Art Sculpture project this week led by artist "Fliss" from "Childrens Workshops". The children are creating huge pieces of art such as Pirate Ships, whales, dolphins and many interesting small sea creatures — they have even made The Titanic! These pieces are being brought to life with recycled materials by the children. What a creative team we are! Huge thanks for all the bottles and bottle tops families brought in, they are now part of our fabulous artistic creations!
