class news

Ruby Class

have discovered a mysterious key and other woodland items. They have been reading about the 'Enchanted Forest' and even received a bag of magic beans! They have more questions than answers but what an exciting week!

Emerald Class

have been busy exploring what life was like for a child in the Victorian times. The children experienced an afternoon in a Victorian school room and they very much enjoyed the role play! They have also been learning about what plants need in order to grow and they have planted some sweet peas!

Sapphire Class

have been focusing on reported speech to write a newspaper report about John and James Veitch and their inspirational ideas of recruiting plant hunters. They have been thinking about language and tone of voice to lure readers into their article

Diamond Class

have produced play scripts based on imagined conversations between John Veitch and his eight year old son James. They have also sketched and painted portraits of the most prominent Veitch family members, mixing different shades of grey to help recreate how the original Victorian photographs actually looked.

KS1 Dance Workshop

This week KS1 enjoyed two fabulous dance workshops with our visiting dance teacher Miss Murray. Ruby class went on a musical Bear hunt and enjoyed moving and shaking through a familiar story, whilst Emerald class enjoyed a 'Funny Bones' adventure of their own. Both classes really enjoyed their sessions and we look forward to welcoming Miss Murray back next week to lead KS2 in some street dance sessions.

We are pleased to welcome Mr Barr to the staff team in Emerald class. Mr Barr is a trainee teacher from Plymouth University; he will be working with Mrs Bojang for the Spring term to plan and deliver all aspects the curriculum. I

am sure you will join me in wishing him a successful school based experience.
