Go Wild In June

The final few days in June saw Diamond class completing their final forest school session. Bug homes were created in the field and children were

able to saw and drill logs to make their own wooden necklaces. Over the weekend baby frogs were rescued by the Wonnacott family and three bees,

including one named Barbara by Zuzia, have

been re hydrated with

sugar and water after

crash landing in the field

and playground. A young

shield bug was discovered in the field by Lacey

and finally Sapphire class seed bombed the

spring bed with Welsh poppies which bees love.

We have all had a brilliant time exploring nature. Please keep us informed of all your discoveries, we love to hear your news.

Sapphire Class have now completed their 10 weeks of swimming. Without exception they have **all** made excellent progress. This week swimming certificates were given in Collective Worship.

All children have to do is read 6 books over the summer holidays and they will receive a certificate and a medal. On our return in September, we want to know about anyone who completed the challenge!!!

Stay and Play Bookings

We are experiencing a lot of late bookings and late cancellations. As places are very limited, please ensure you give the office as much notice as possible if your child requires a place at Stay and Play. Whilst we appreciate late cancellation can sometimes not be avoided, please try and give us at least 24 hours notice as this will free up a place.
