### Summer Fair Update

Thank you to everyone who helped to organise and run our fantastic Summer Fair that took place last Saturday, also thank you to everyone who came along and supported it. We were fortunate that the rain mainly held off until the event was over. It was fantastic to be a part of a larger community event this year and it was lovely to see so many people enjoying themselves. There were lots of fun things to do and plenty of delicious things to eat and drink. The Fair raised £882 on the day and there is still a little more to be added to that. Money raised by the PTFA is used to support the school in its delivery of extra-curricular activities and educational visits as well as to purchase one off items that benefit the school community as a whole. If you would like to get involved in the PTFA (planning events, running events or coming up with ideas of fundraising activities) we would love to hear from you - please chat with your child's class teacher so that we can get in touch. Many Thanks

### Wildside Experience Report

Last Thursday and Friday the year 4s along with Mrs Wilson and Mrs Mirehsan had a wonderful time at Wildside. It was a two day residential experience where the children took part in a number of fun activities such as orienteering, archery, feeding the hens, pigs and sheep, woodland rope trail walk in the middle of the night, archery and a stream walk and a full body dunk in the water! Mrs Wilson wimped out of that one! The owners of Wildside, Richard and Alison looked after us all with fabulous homemade food and kind hospitality. Some great memories to last a lifetime. *There are lots of lovely photo's displayed outside Sapphire class, which will be uploaded to the website, together with some videos, shortly!*
