class news

Ruby Class

have enjoyed exploring 'Jack & the Beanstalk'. They have ordered events from the story, chatted with characters and have created their own beanstalk. They have also been busy planning and painting spring flowers to make our classroom just like a spring garden.

Emerald Class

have been contacted by a member of the Veitch family—James Veitch—who was a famous plant hunter. The children have been thinking about what makes a good plant hunter and explorer. In science they have been observing plants and have looked carefully at plant structures.

Sapphire Class

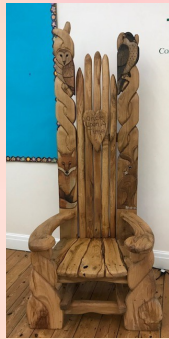

James Veitch has an exciting idea.... To send Plant Hunters across the globe in search for precious seeds and saplings. But what skills and qualities must these brave explorers have?

Diamond Class

have discovered that this term's theme is 'The Veitch Family' and they have created covers for this work as well as creating logos for their team of experts. The Diamond children have also discussed and written about their hopes and dreams for 2020 and the new decade!

Welcome Back

Welcome back to St David's for the start of Spring Term 2020 and a new decade. We hope you all had a wonderful holiday and are feeling ready for a busy term ahead. Everyone appears to have returned refreshed after their holidays and it has been great to see the hard work that has already been happening across the school.

Many of you will already have seen the new reading chair which is currently standing proudly in the hall. We are looking forward to lots of cosy shared reading times and would be really interested to hear from any parents who can speak other languages and would like to share stories with our children in their home languages. Please speak to your child's class teacher if you would be able to help us with this.
Many thanks
