

SUMMER TERM—NEWSLETTER 12

16TH JULY 2021

Term Dates

Last Day of Term—Thursday 22nd July

Return to School

Years 1–6 Wednesday 8th September

New Reception—Monday 13th September

Dear Families,

Today your child(ren) should bring home an envelope containing their annual report, if you would like to speak with the class teacher regarding any of the content, please contact the school office and we will arrange a call for you. Next week is our final one before the summer holidays. We are aware that officially restrictions are due to be lifted on Monday, but we intend to keep to our current systems until the end of term and will then review them when the effect and aftermath are clear. We are nervously aware of the increasing positive cases locally and the number of Exeter schools closing year groups or classes. So far we have managed to remain Covid free and I sincerely hope that we can remain that way until the end of term so that the celebrations and special leavers events for Y6 can take place. So far they have enjoyed a day climbing, caving and dragon boat racing at Haven Banks, a cinema trip at the Phoenix and today they are enjoying paddle boating and other water sports in the Exmouth estuary. Diamond parents are invited to join us for a Movie Premiere on Monday (details below) - where they will also be treated to a montage of photos from the recent activities—we look forward to seeing you.

Have a lovely weekend and enjoy the sunshine, Fran Brinicombe

We are so proud to receive some fantastic news regarding one of our Y6 girls.

Following recent Football trials for Exeter City, Zara Lavers-Mason has been accepted onto the next stage of the Exeter City Girls Development Centre.

Her passion, commitment and dedication to football has obviously paid off and we wish her luck for the next stage of her development.
