WEDNESDAYS!

THANK YOU

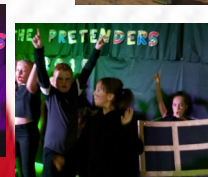

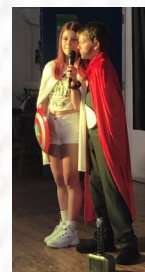

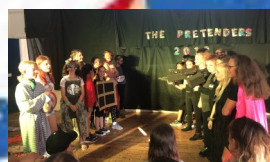

As the school year draws to a close and we reflect on the past year, there are too many experiences, activities and achievements to comment on—it has been another fabulous year at St David's for pupils and staff. A huge thankyou to all the staff who work so hard and give so much of their time to ensure that pupils have every opportunity to thrive and blossom. We are very grateful for all of the parent support we have had with trips and visits—without your help these would not have been possible. I hope you have a very happy summer break and we look forward to seeing our Y1—Y6 on Tues 3rd September with FS starting on Thurs 5th.

I would also like to wish our Y6 leavers success and happiness, we are proud of each and every one of them!

Goodbye and Good LUCK!

The Pretenders

Diamond Class worked very hard to put on three amazing performances of their show 'The Pretenders'. They put on two evening shows and a matinee for the school children and each and every one of them gave their all during each performance. They were all stars and they should be very proud of themselves.

Events Taking place within our Community

Exetermusicolidayschool@hotmail.co.uk, Tel 07572610742

Summer Holiday Athletics Sessions

Mon 12th August

Mon 19th August

Full details on notice
board

Ruby Class — have been very sporty this week practising for sports day and then taking part in a range of events. They also enjoyed their trip to Dawlish Warren where the children took part in bug hunting, pond dipping and insect identification. We have a bug-tastic time!

Emerald Class - have been busy completing a final project for Disney Studios! As part of their maths day the children designed a Mickey Mouse Street for a new Disney Park. The children have created aerial maps of the street and also built 3D models to show what their street would look like.

Sapphire Class—have been working on shapes. The children have had a great time designing and making a Disney land theme park using many mathematical skills and methods including area, perimeter, shape and directional language. We would also like to say a fond farewell to Annie, Tiana and Imogen. We wish them every success for the further.

Diamond Class— have performed their show 'The Pretenders' three times this week: to parents on Wednesday evening, to the school on Thursday afternoon and again to parents on Thursday evening. We are all immensely proud of the fun, spirit and dedication that they have had over the last six weeks of rehearsal, and we're sure you agree that they did brilliantly.

Star Learners

Ruby	<p>Reception: Houd — since joining us at St David's he has worked hard to adapt to our school routines and rules. He has approached learning activities with great enthusiasm and interest. Yesterday on our school trip, his behaviour and participation was outstanding. Well done Houd!</p> <p>Year 1: Albatool — Today is sadly Albatool's last day at St David's Primary School. Since joining us two years ago, she has made excellent progress with her learning. She has really blossomed as a person and her friends and teachers will really miss her. We would like to wish you the best of luck as you begin your next adventure! Thank you & Good bye Albatool.</p>
Emerald	<p>Year 1: Hollie — for her fantastic measuring in maths. She was very accurate when using a ruler. Hollie was also able to work out the perimeter of different shape! Well done Hollie!</p> <p>Year 2: Oscar — because he worked brilliantly with his partner when building a model. Oscar showed fantastic communication skills and worked collaboratively with his friend.</p>
Sapphire	<p>Year 3: Dylan - it has been a joy to see Dylan so focused and determined during his swimming lessons at St Luke's. He listened well to instructions and developed his skills well. Dylan made fabulous progress in his swimming and it is a pleasure to see him enjoy the water so much. Well done Dylan!</p> <p>Year 4: Tiana—is a delightful member of Sapphire class. She is often noticed around the school for her happy, friendly and caring nature. Tiana has made amazing progress during her time at St David's and she will be greatly missed by everyone. Thank you and Good Luck Tiana!</p> <p>Year 4: Imogen—is a super star in Sapphire Class. She is a happy, friendly and caring girl with many friends. Imogen has made great progress during her time at St David's and she will be greatly missed by everyone. We wish you all the best at your new school. Thank you and good Luck Imogen!</p>
Diamond	<p>Year 5: Louis — has worked extremely hard this week, giving great performances in all three shows. He has listened to advice and acted on it and should be very proud of all he's achieved. Well done Louis!</p> <p>Year 6: Noor — has given three excellent performances in the show this week, showing her sense of humour, acting ability and singing talents. Well done Noor!</p>
