SUMMER TERM—NEWSLETTER 6

28th May 2021

Dear Families,

As we come to the end of the first half of the summer term, I would like to congratulate all our pupils on how well they have coped with the challenges that have come their way during this academic year, they have taken everything in their stride so well. We sincerely hope that we will be able to carry out the planned activities, shared last week, without disruption. Please note Sports Day is scheduled for Tuesday 29th June (not 26th - apologies for any confusion).

As summer descends and the weather begins to get hotter (we hope) please remember that it is important for children to be dressed appropriately. We have a number of 'spare/previously loved' summer dresses that are waiting for new owners - if you would like any please let the office know what sizes you require and we will see if we can help you out.

Summer PE kit is school royal blue t-shirt and plain blue or black shorts - children should arrive on Tuesdays wearing their kit. Please do not send your child to school in tracksuit trousers if it is sunny/warm as they will get too hot and sweaty in an active PE session and will then have to remain in the same clothes 'til the end of the day.

Let's hope the sun shines through half term so that we can all enjoy some outdoor time with family and friends.

Stay safe and well, and we will look forward to seeing you on Monday 7th June.
