New Rec Mon 13th Sept

SUMMER TERM—NEWSLETTER 4

14th May 2021

Dear Families,

As the next lifting of restrictions looms on the horizon, we are beginning to anticipate the sorts of activities we can safely deliver in the second half of this term. We are mindful that we don't want to promise something that we then are unable to deliver but we are currently looking at the sorts of summer activities we usually do so that we can plan adapted versions that can

Our Sports Day will be Tuesday 29th June (with a reserve date on Tuesday 6th July in case of bad weather). It is likely that Sports Day will take a different format this year with KS2 Sports in the morning and KS1 in the afternoon so that we can continue to limit groupings. We are also planning some Activity Days for Diamond class as they will be unable to participate in the usual Residential visits due to government guidance currently prohibiting this. In other classes we hope to plan some special school based days as we tentatively edge our way towards greater freedoms whilst continuing to keep everyone safe.

Whilst talk of embracing family members and friends is high profile in the media, we will be continuing to remind children that they should maintain distance whilst at school. We will watch and wait to see the impact of the lifting of restrictions and would appreciate your support in reminding your children that hugs should be reserved for family time and not to hug their friends and favourite teachers at school!

Thank you for your support.

Have an enjoyable weekend!

THIS WEEK'S STAR LEARNERS

Ruby Class	**Reception—Albertine** for her independence and confidence. She has been completing activities expected of her independently and reviewing her own work before checking in with an adult. Albertine has been teaching her peers the primary colours in French! Albertine is a kind and caring girl and we are so lucky to have her in Ruby class. Thank you, Albertine!
Sapphire Class	**Year 3— Mayar** is a delightful member of the class. She has settled in very well at St David's. Mayar is a cheerful girl who is making some good friends. She is working very hard and has a great attitude to learning. Well done and Thank you Mayar. **Year 4—Ralph** is a responsible and reflective member of the class. He enjoys challenging himself and can identify what he has done well and what he needs to work on next. He enjoys maths and he is keen to share his mathematical methods with the class. Thank you Ralph.
Emerald Class	**Year 1—Lucia**—We have been so proud of Lucia`s fantastic maths learning this week! She has been confidently adding two 2 digit numbers independent . Well done Lucia ! **Year 2—Jacey** for her wonderful contributions during our PSHE time this week. She was able to talk sensitively, talk about celebrating our differences and she carefully thought about what makes her friends special. Thank you Jacey!
Diamond Class	**Year 5—Cole** has been incredibly helpful during our coding sessions in Diamond, his knowledge of computers and scripts has been fantastic to see. He has also shown great patience when helping others. Well done Cole! **Year 6—Szymon** has a real flair for art and design and his uniform designs for the Wings Around the World team were particularly brilliant this week! Well done and thank you Szymon!
